

NCWorks Online

Whether you're a job seeker or business, North Carolina's official workforce website helps you get connected. NCWorks Online streamlines your search for a career or a candidate by providing you with everything you need to make an informed decision.

For employers:

- Real-time analysis on the labor market organized by industry, area, and occupation
- Advanced job-matching tools help you find the most relevant candidates for the position you need filled
- A no-fee system that delivers top-notch results at no extra cost to your business

For job seekers:

- Advanced job-search tools match your current skills to those required by an employer
- Assistance with career planning and finding job-related training opportunities
- Alerts delivered via e-mail and text message

NCWorks Online is offered through the N.C. Department of Commerce's Division of Workforce Solutions. Visit the site and see for yourself what NCWorks Online can do for you!
